RESOURCE MOBILIZATION POLICY

Institutional Strategies for mobilization of fund and optimal utilization of resources

The Sri Venkateswara College of Arts and Computer Sciences aims persistent academic and non-academic reforms to encounter over charging needs of the society by maintaining excellence, resource mobilization, accountability. The fees paid by the students at the time of joining the course is primary receipt to the college. Any shortage in the receipts would be met in the form of overdraft from the banks. These funds are utilized mainly for the laboratory updating for the betterment of the student's community. The college has a defined system to evaluate effective and efficient utilization of available financial funds for the growth of academic and infrastructure areas.

The power rests in the hands of the Principal in preparing the institutional budget by considering recurring and non-recurring expenses. The HODs and Administrative Departments are requested to prepare and present the budget for the fourth coming year. This includes different co-ordination of various cells like NSS, Exam cell, The P.Cell.

All the major decisions regarding finances are taken by the Institute's General Body. Verification and analyzation by the G.B. under different heads such

as T & P upgrading software, Internet charges, Library Books, Journals, repair and maintains, consumable Furniture, fixtures printing and stationary is adopted.

At the time of insufficient financial funds, the management seeks loans to meet the expenditure. The College Management never took a backward step on providing high quality education with an affordable cost to the students. It clearly shows sincere contribution in the provision of education social commitment in the form of serving the society by the institute, through empowering the young words.
